Older Americans Month 2016: “Blaze a Trail”

Older adults are a growing and increasingly vital part of our country. The contributions they make to our communities are varied, deeply rooted, and include influential roles in the nation’s economy, politics, and the arts. From 69-year-old NASA Administrator Charles Bolden, Jr. to 84-year-old actress Rita Moreno to 83-year-old Ruth Bader Ginsberg, who took her seat as a Supreme Court Justice at age 60, older adults are blazing trails in all aspects of American life.

BLAZE A TRAIL: MAY 2016

In 1963, we began to acknowledge the contributions of older people by using the month of May to celebrate Older Americans Month (OAM). Led by the Administration for Community Living, the annual observance offers the opportunity to learn about, support, and celebrate our nation’s older citizens. This year’s theme, “Blaze a Trail,” emphasizes the ways older adults are reinventing themselves through new work and new passions, engaging their communities, and blazing a trail of positive impact on the lives of people of all ages.

We encourage you to get involved by checking out your local senior community center, participating at one of our Walk the Rails-to-Trails events, or volunteering in the local area.

What is involved in your day-to-day activities in your current position?

Daily activities include answering phones, taking referrals and ensuring people are matched with the program that meets their needs the best, conducting assessments, and speaking with consumers to make sure they are happy with their services.

Your most rewarding or satisfying experience in your work or volunteer history:

I find it very rewarding to visit our consumers in their homes. It is so encouraging to see the photos and hear the family stories, and to realize that I can help preserve some of those memories as people are able to remain in their homes.

Your proudest moment since you joined JCAAA:

I take great pleasure from hearing stories our consumers share about how our services are helping them live a fuller, more meaningful life.

The significant people in your life:

I married the love of my life, Justin, 13 years ago. We have three beautiful children that keep us very busy with sports, science experiments, and music. We enjoy camping, hiking, swimming and other outdoor activities, and going to concerts. Our eldest son, Jonas, enjoys playing in the school band and performing in various plays and musicals. Cora and Ezra, the twins, are very active in sports and are excited to begin baseball and softball this year.

What do you do when you're not at work? In my spare time, I enjoy reading, gardening, knitting, baking and spending time with my family and friends.

Hand Washing

Doctors and nurses wash their hands frequently to stop the spread of sickness and disease in hospitals and other health care facilities. However, a new research study has found that patients should also take precautions to decrease the spread of disease. At certain facilities in Detroit, a study found that almost one in four adults had a virus or bacteria on their hands after leaving the facility. The standard perspective is that most diseases are spread by doctors, but an increasing number of studies have found that patients play a role in transmitting diseases as well. The authors of the study suggest that hand hygiene policies be revised to include patients. Hospitals and other facilities should also post reminders for patients, informing them that they should be washing their hands. To read more about the results of this study go to <http://www.npr.org>

Transportation – Special Announcement!

The Area Agency on Aging opens a special transportation program for Jefferson County seniors age 65 and older. The program will expand senior transit services currently offered by the Area Transportation Authority in Jefferson County. While all ATA fixed routes in Jefferson County are free fare to qualified seniors, other ATA bus services are offered at a discount of 85% for seniors. Starting today (and for defined trips) the JCAAA will pick up the final 15% of the shared ride trip cost under an agreement with ATA. For these non-fixed route trips that seniors take every day in Jefferson County the fare is now “covered completely.”

“We want to encourage seniors to expand their mobility and their access to these ATA trips and to visit our four Social Centers. It’s now free, and worry free, and an even better deal for our clients age 65 and older,” says JCAAA Deputy Director Molly McNutt.

ATA Shared Ride Service (Non fixed route rides) for seniors in Jefferson County are defined by ATA as:

Call-a-Bus Services (CAB BUS)
ATA Point to Point (CAB BUS)
ATA County-Wide-Service Bus
ATA Fixed-Route with Deviation Service

While the new JCAAA program is limited to ten defined trip purposes it covers substantially the many rides that Jefferson County seniors currently use for “shared ride” transportation.

The new JCAAA program defines eligible shared ride trips as:

Dentist visits
Diagnostics visits
Dialysis treatment
Doctor’s Office visits
Hospital Visits - Admission and Non Admission
Pharmacy visits
Physical Therapy
Surgical trips
JCAAA Senior Centers (4)

For specific questions about the new JCAAA-ATA shared ride program, call the Jefferson County Area Agency on Aging Toll Free: 1-800-852-8036 or ATA Customer Service at 1-866-282-4968 to register.

Curried Eggplant With Tomatoes and Basil

Ingredients

1 cup white basmati rice
 kosher salt and black pepper
 1 tablespoon olive oil
 1 onion, chopped
 2 pints cherry tomatoes, halved
 1 eggplant (about 1 pound), cut into 1/2-inch pieces
 1 1/2 teaspoons curry powder
 1 15.5-ounce can chickpeas, rinsed
 1/2 cup fresh basil
 1/4 cup plain low-fat yogurt (preferably Greek), optional

Directions

1. In a medium saucepan with a tight-fitting lid, combine the rice, 1 1/2 cups water, and 1/2 teaspoon salt and bring to a boil. Stir the rice once, cover, and reduce heat to low. Simmer for 18 minutes. Remove from heat and let stand, covered, for 5 minutes.
2. Meanwhile, heat the oil in a saucepan over medium-high heat. Add the onion and cook, stirring occasionally, until softened, 4 to 6 minutes.
3. Stir in the tomatoes, eggplant, curry powder, 1 teaspoon salt, and 1/4 teaspoon black pepper. Cook, stirring, until fragrant, about 2 minutes.
4. Add 2 cups water and bring to a boil. Reduce heat and simmer, partially covered, until eggplant is tender, 12 to 15 minutes.
5. Stir in the chickpeas and cook just until heated through, about 3 minutes.
6. Remove the vegetables from heat and stir in the basil. Fluff the rice with a fork. Serve the vegetables over the rice with yogurt, if using.
