"This is a fantastic program for the elderly. It provides so much."
- Maureen O.

"This program has given my father-in-law and our family peace of mind with his being home alone by providing the Medical Alert System."
- Leo M.

"It is great to have a local agency looking after us. We can call them and get immediate help with our problems."
- Shirley E.

"Our case worker has been very professional and accommodating, very helpful."
- Mary E.

JEFFERSON COUNTY
AREA AGENCY ON AGING

814-849-3096

Serving our seniors since 1976!

The Jefferson County Area Agency on Aging offers a variety of services to the older citizens of Jefferson County ranging from hands-on personal care to caregiver support, transportation and volunteer services. We are here to help.

Personal Care Services
Hands-on assistance with bathing, dressing and grooming. Some light housekeeping may be included.

Medication Management
Provides the set-up of medications through a Home Health Agency to help consumers manage their health care needs.

Personal Emergency Response System
Allows consumers to have a "help button" when they need emergency care.

Protective Services
Safeguards the rights of older adults through training, information, educational programs and provides services to eliminate harmful actions to the older person and their property. Reports can be taken 24 hours a day by calling 800-852-8036.

Home Delivered Meals
Nutritious frozen meals delivered to your home.

Caregiver Support Program
Consult with an expert to learn the benefits available to you as a provider of care. You might be eligible for reimbursement for part of the cost of services, supplies, adaptive devices and home modifications on a cost-sharing basis.

Home Support Services
Services include: light housekeeping, grocery shopping and laundry. Services available as funding permits.

Information and Assistance
Referral assistance to appropriate agency services.

Care Management
Provides for implementation of Individual Service Plans and the coordination of services for in-home consumers.

Callgivers™ Program
Live companion call service. Professionally trained Callgivers™ provide older adults with wellness support and companionship through regularly scheduled and meaningful phone conversations.

Volunteer Services
Opportunities to assist older adults in their community; includes Ombudsman, PA-Medi, and Senior Center help.

Ombudsman
Protects and enhances the welfare of older people in long-term care facilities.
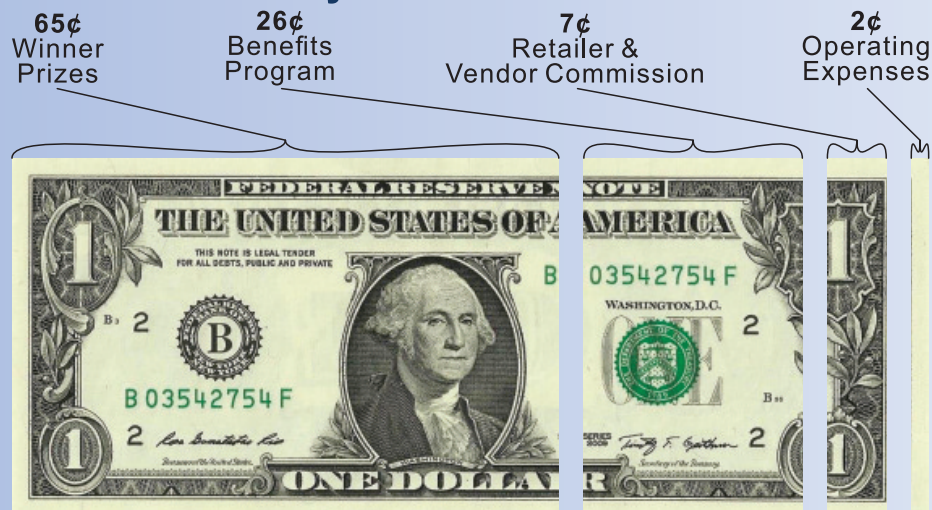

PA-Medi
Free insurance counseling on Medicare benefits.

Transportation
The Shared Ride program will provide transportation and cover costs for scheduled dentist, diagnostic test, dialysis treatment, doctor's office visits, specialists, hospital visits, pharmacy, physical therapy, surgical and to nearest senior center. Age 65 and older.
